McCutchanville Community Church has a new Sanctuary under construction. We will still be having our Swope reunion at McCutchanville but we will have some restraints of access.

There will be only one door available on the front of the building. It will be the west door next to the Petersburg road parking lot. Use this entrance to drop off carry ins and as a drop off for those that can't walk up the stairs. After dropping off continue on the driveway around the back of the building and park on the new back parking lot. The doors on the back parking lot level will be open. Please don't try and exit back onto Petersburg road, it is a very dangerous maneuver. Park in the back on the new parking lot and then

walk up the stairs to the large assembly room for the reunion.

After the reunion exit the back parking lot onto to S.E. Browning Road, go around and enter to pick up off of Petersburg Road parking lot. Exit back around the back of the building to S.E. Browning again.

PLEASE LET ALL YOUR FAMILY KNOW.

It will be a carry in dinner as always, assemble at 11am we will eat at 12. Bring your table ware; there will be ice tea and lemonade available.

If you would like to see what I have to show on the screen for your family, stop by the house and I will show you. You may want me to use some different pictures.

FAMILY COLORS!!!!

This year the descendants and spouses of each of the Swope children should wear a different color shirt. These are the colors that were decided upon last year. It need not be tee shirts as these pictures show; the color would be what is important.
