

the new switch room was built just north of there...recently enlarged.

Now how much the art of communication has changed. Now...Many of you are into the latest method of communication with computers and e-mail! This includes another of A. E. grandsons, Paul Gene Swope, the Editor of this newsletter and the Swope reunion ... doing a swell job. It was wonderful seeing all the relatives on the large overhead screen ... you could look, talk and keep on eating!

Speaking of Paul Gene...he has become my very favorite "cousin-in-law"! I see even more of him since he has moved back to McCutchanville. We've enjoyed many events and a few trips together.

Do you know your relatives on sight? Rose and Joyce McCutchan had been working with the Carnival rides selling tickets and Brendas' daughter, Casie had been working in the food prep at the same sites for a year. When Brenda and Brad went to see Casie and spotted Ross ... the connection was made .. Cousins down the road! They had been working in the same carnival for a year and didn't realize they were cousins!

Let's get together BIG in the year 2003 at the Swope Reunion ... young and old and meet our distant cousins!! See ya there!!

Evelyn Geiselman France

#### FROM JANICE EVANS

Jean is starting a new job the first of August. She will be the Director of Youth Service Bureau for the Town for Enfield, CT. The Youth Service Bureau provides counseling to children and families in the community and partners with the school system to provide counseling in the school. It also runs an activity center that provides after school programming for children and families.

Evelyn Evans celebrated her 80th birthday with an open house. Her church, friends and family were invited. It was well attended with lots of good

food. Family who attended were her sister, Lois, 2 brothers Lawrence and Raymond, daughter-in-law Audrey, a sister-in-law, Evelyn France and 3 cousins, Paul Swope, Kenny and Leslie Cooksey and Randy Cooksey. Several nieces and nephews also came.

#### FROM PAUL SWOPE

The only thing that has changed with me is that I have moved into a new house. The new house is just off Kansas Road just west of hwy 57. You can see the new address on the "address" page. I was able to move in the 4<sup>th</sup> of May. Paula came up from Texas to help, also John and Karen helped and Paula recruited some of her friends to help. Still living out of some of the boxes. Guess I will finally get all unpacked and organized. Visitors **ARE** welcome. Come by and see my mess.

Paula and Richard are still in Texas, as is Vicki and Ronnie. John is living in Illinois but still working out of the Evansville plumbers union hall. Karen and Dave and their five children are living in Darmstadt. Megan and Will, Karen's children, just got back from spending a month with aunt Paula in Texas.

JP, John's son, is still in Tallahassee Florida, just got married the 1<sup>st</sup> of June. Jamie, John's daughter, is back living in Chattanooga Tennessee.

I guess I should mention that Evelyn France and I are still seeing one another. Now that I am living in the McCutchanville area it makes it easier to be together. Candy, my 9 pound miniature rat terror, is still keeping me in line.

Paul

#### SARAH SWOPE

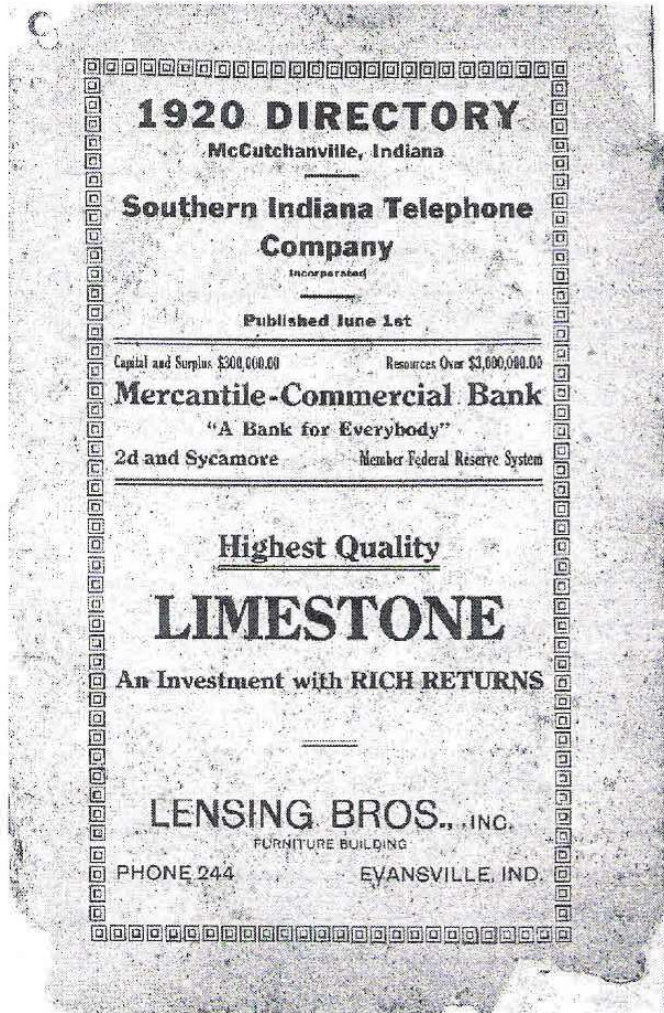

Sarah, her daughter Maria and Carl Mitchell have moved into McCutchanville. They now live right behind the Glackmans on Petersburg Road. It is the first house north of S.E. Browning Road.

## TELEPHONE BOOK

I though this was interesting. Ross McCutchan has this phone book. It is the McCutchanville phone book of

1920. I have copied it and have the copies here if you would like to look at it.

If you have things of interest let me know and we can let the rest of the family know about it.

## 2002 REUNION

Everyone I think enjoyed themselves although we had a small crowd. I was afraid that we may not raise moneys enough to continue the News Letter. But everyone there dug a little extra deep in their pockets and we have money enough to continue another year. This year the family slide show was shown on a big screen high on the wall, and every one could watch it from any where in the room. Robert, the pastor, let

us use the projection equipment that is used during the worship service. It went well and every one seemed to enjoy the large screen.

## 2003 SWOPE REUNION

We have not set a date for the 2003 reunion as yet. I would like to have some input as to a date and even if folks would like to have it at a different place. The church at \$50 is the cheapest place I've found so far. Give us some suggestions and we will work on it.

## GRAVE SITES AT OAKHILL

If you look at the accounting page, you will see we are still way short of upgrading the grave site stones at Oakhill Cemetery. Some time back I printed pictures showing the bad conditions of the stones there. It was my idea that we should take care of our ancestors memories. But it sure is going slow.

## SLIDE SHOW

Always looking for more family pictures for the slide show. Some families are covered and some are not. Get those pictures to me and I will see to getting them included. Got a good new one of A.E. last month.

## E-MAIL ADDRESS

Those that have e-mail address and don't get my e-mail, please get those e-mail address to me so you can get Swope info when I send it out. I have an e-mail address list I send out to those that are on the e-mail list. If I have your e-mail you will have all of the families address so you can correspond with them. There are reunion 2002 pictures posted on the internet at <http://www.swopes.org/reunion2002>. If I had your e-mail address you would have already known.
